I have conducted an evaluation of the home education program for the above student. The program consisted of instruction in the required subjects for the time required by 1949 Act 14-1327.1. As required by 1949 Act 14-1327.1, the student's portfolio includes:

- A log, which designates the reading materials used.
- Samples of any writings, worksheets, workbooks, or creative materials used or developed by the student.
- In grades three, five and eight results of nationally normed standardized achievement tests in reading/language arts and mathematics or the results of Statewide tests administered in these grade levels.

Based on my review of the portfolio and my interview with the student, I have determined that the student has demonstrated sustained progress in the overall program. Therefore, I hereby certify that an appropriate education is occurring.
